The one path to success
... to destination pilot.

Imagine an **intelligent solution**, where all your students' details both theory and practical training records are **all in one place.** Imagine that scheduling is effortless on any device and instantly available for everyone in your organization. Imagine that flight registration and grading, can be done from the cockpit with minimal effort. Imagine a solution that calculates, stores and displays all payments...

You are probably imagining our **Best Pilot.** Easy-to-use and accessible on all devices, Best Pilot is the one tool you need to **maximize the efficiency** of your flight training operations.

EVIONICA

Benefits for **Head of Training**

- **Boost your training, management and administrative operations**
  Comprehensive set of tools that streamline and standardize both theoretical and practical training, incorporating the CBTA approach
- **Follow student progress details**
  Always up-to date student records, theory, practice, documents and payments. All in one place, easily accessible on any device.
- **Real-time flight reports and statistics so you are informed**
  Access flight reporting and statistics in real-time, giving you the data you need to make informed decisions and optimize your operations

Benefits for **Flight Instructors**

- **Save time and increase efficiency**
  Streamlined planning, preparation and flight registration processes that enhance your competencies
- **Improve in-flight efficiency and safety**
  Customize your programs and checklists for a smooth, successful and safe flight experience for everyone.

EVIONICA

LOT FLIGHT ACADEMY

"One place for all training information for instructors and students is a great idea! We really appreciate the Best Pilot app for giving us the opportunity to collect and update information available for students, instructors and flight schools. It organizes the whole training process and significantly improves flight courses."

– Jan Szybiński,
LOT Flight Academy

NAVCOM SYSTEMS FLY

"I am very glad we changed and migrated safely to Evionica Flight School Management System. The additional features as well as integration was a crucial part for our decision. In the past we had a solution but with Evionica we can be now 100% paperless. "

– Jaroslaw Rozwod, Navcom,
Head of Training
